Numbers represent team seeding

Example: "9" on the March 5th 5:30 game represents the 9th ranked team

Letters represent, winner of the denoted game

Example: "A" on the March 6th 5:30 game represents the team who won Game A from March 5th

Tournament Seeding Based on the Following Hierarchy

1. Win Loss record
2. Head to head competition
3. Win/loss against highest ranked opponents
4. Coin toss

Points (for, against, or margin) will not be considered in ranking.

This eliminates the urge for coaches to potentially run up scores to better their ranking.
